# Andes

LED Flatlight: All our tracklights/trackspots are for 3-fase rails. we can provide these rails in black or white. of course we also have all the components to make it work, power supply, couplings etc. Our tracklights are made of quality parts and have a high energy saving level. We think quality is very important so we always make sure our products are tested and have the right certificates.

Applications: Retail shops, Supermarkets, Theatre, Hotel, Bar, Shopping mall
