

Highbay
100W-240W 140Lm/W (240W=150Lm/W)
3000K/4000K/5000K

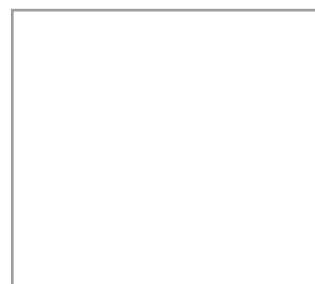

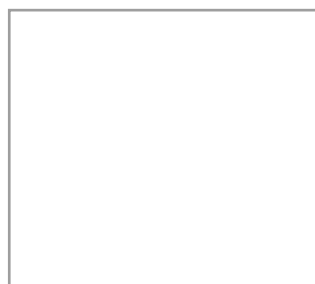

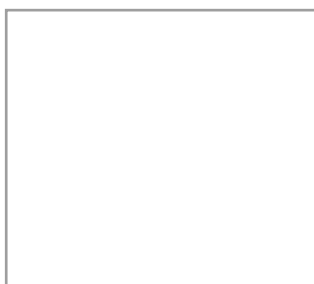

Lance

LED Flatlight: Our Highbay's are designed for a wide range of industrial and commercial applications. Replacing traditional HID, HPS and fluorescent highbay fixtures. The fixture offers several industry-standard mounting options for retrofitting. Intelligent Highbay's offers ZigBee and DALI intelligent solutions for performance and efficiency.

Applications: Warehouse, Manufacturing, Cold Storage, Transportation, Sports Facilities

Wattage	100±5W/120±6W/150±7W/200±10W/240±8W
Luminous Flux	140Lm/W (240W=150Lm/W)
Kelvin	3000K/4000K/5000K
Colour Rendering Index	>70/>80/>90
Beam angle	90°/120°
Microwave Sensor	Optional
Dimmable	Optional
Sensor	Microwave motion sensor
Power Factor	>0.92
Voltage / Current	100-240 VAC / 100-277 VAC (optional 277-480VAC)
IP-Code	IP66
Fixture Color	White
Housing Material	Aluminum, Covered by high transmittance PC
Dimensions	Ø520x223mm
Operation Temperature	-30 + 50°C
Lifetime	50.000h(Ta=30°C@L70)
Warranty	5 Years
Certification	CE, RoHS, cULus, NSF
