

Emergency LED Light 3,4W 170Lm

Emer

LED Flatlight: If you compare our LED Products to traditional lighting you will see that our lighting radiates less heat and has a much longer life span and a very low maintenance cost. Our products are made of quality parts and have a high energy saving level. We think quality is very important so we always make sure our products are tested and have the right certificates.

Applications: parking lots, corridors, warehouses, department stores, airports, factories, food industries, supermarkets
